Callahan Village Duplex Lot 29B (Resub of Lot 29)
1.220 acreage

Request to construct a two story two car garage with an In-laws quarters above proposed garage.
Would enclose current single car garage on existing structure to add an additional 308 sq ft to main structure. This would add another bedroom to original structure. Total sq ft to original home would be approx 1875 from 1558.

Proposed plan would include removal of existing driveway and adding a 12ft wide circular drive to front of existing structure with a 22ft wide driveway from proposed garage to join circular drive from the left of the existing home.

Total habitable footage for proposed garage is approx 620.
